

University of Michigan
Tenure-Track Assistant Professor Position in Epidemiology
Job Posting Number 35786

The University of Michigan School of Public Health invites applications for a tenure-track Assistant Professor in the Department of Epidemiology.

Our highly interdisciplinary Department is home to internationally recognized researchers using a broad range of epidemiologic methods, including state of the art laboratory techniques, diverse field methods, bioinformatics, and statistical and mathematical models. Our Department also has highly successful Masters and Doctoral level training programs. Applicants should have advanced training in epidemiology or a related field.

To apply, please provide:

- A statement of current and future research plans, teaching philosophy and experience
- Complete curriculum vitae
- Three letters of recommendation

Send to:

Betsy Foxman
Chair, Junior Faculty Search Committee
Department of Epidemiology
1415 Washington Heights
Ann Arbor, MI 48109-2029

or electronically to:

kdurham@umich.edu

Review of applications will begin December 1, 2010 and continue until a suitable candidate is identified. Women and minorities are encouraged to apply and the University is supportive of the needs of dual career couples. The University of Michigan is an equal opportunity/affirmative action employer.
